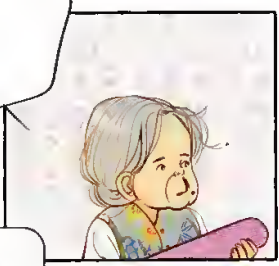
Lady Ok Soon

The Golden One has come!

This is a small workshop. Why did you come? It's already full.



***Golden one.***
She gave him that nickname and though she doesn't care about it much, he feels happy about it.

If the curse is lifted, we might have to say goodbye...

I wanted to see the face of Lady Ok Soon before that happens

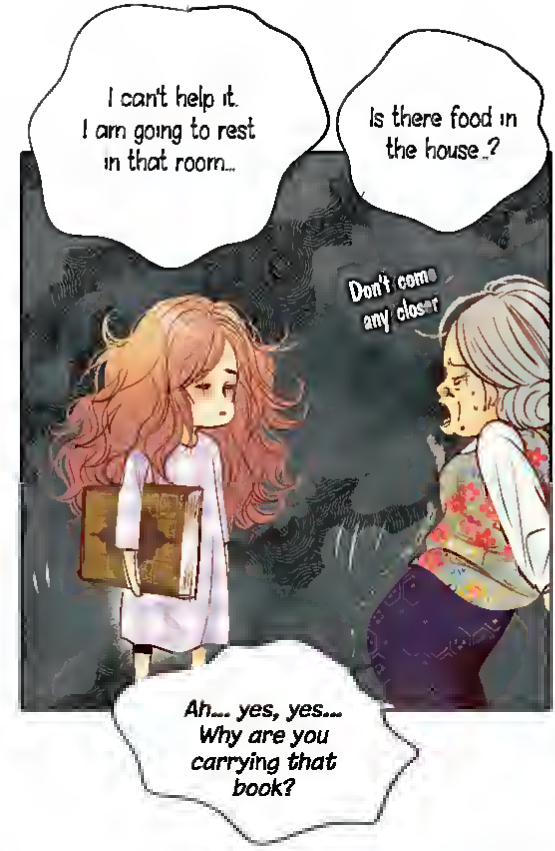
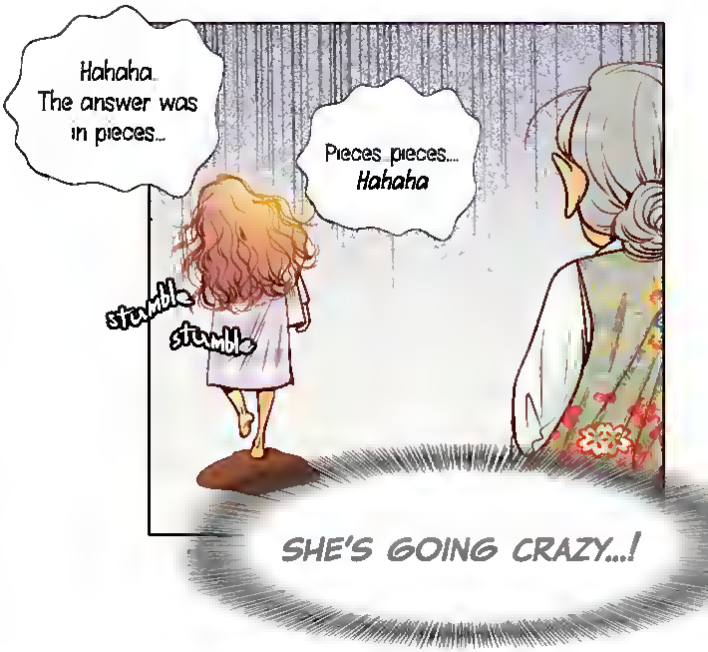
But.. where is Midan?
Is she still studying? In the basement?
Don't talk about it... I'm scared.
She just came out of the basement a moment ago...

UWAAAAAAA
Food...
Give me food...
I THOUGHT THAT SHE WAS SADAKO IN THE HORROR MOVIE...



I can't help it. I am going to rest in that room...
Is there food in the house..?
Don't come any closer
Ah... yes, yes... Why are you carrying that book?



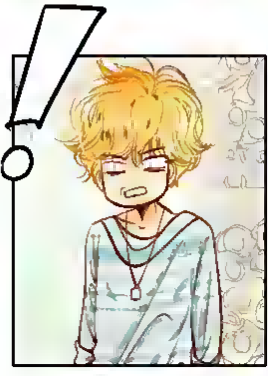
Hahaha. The answer was in pieces..
Pieces pieces... Hahaha
stumble
stumble
SHE'S GOING CRAZY...!

I will give you a hand with the workshop until Midan gets back on her feet.
You're rich. Have you ever done any kind of work before?
I can't do physical labour. Just...

I will stick to the window and invite the customers to come in.
English
英語
GET OUT, YOU BASTARD!

Anyway, we already have someone working here part time

CLING
He is here!



BUTLER?!
His ensemble is a traditional Korean dress which makes him like an Ethics teacher from the 90s
He is reborn with luxurious taste and fantastic sensibility.

IS THIS WHY YOU WERE GOING OUTSIDE NOWADAYS?
YOU TOLD ME THAT YOU WERE RESEARCHING AN OLD CITIZEN'S CENTRE IN JONG RO GOO 3 DAE WHERE THERE ARE LOTS OF BEAUTIFUL OLD WOMEN?!

I had no idea...

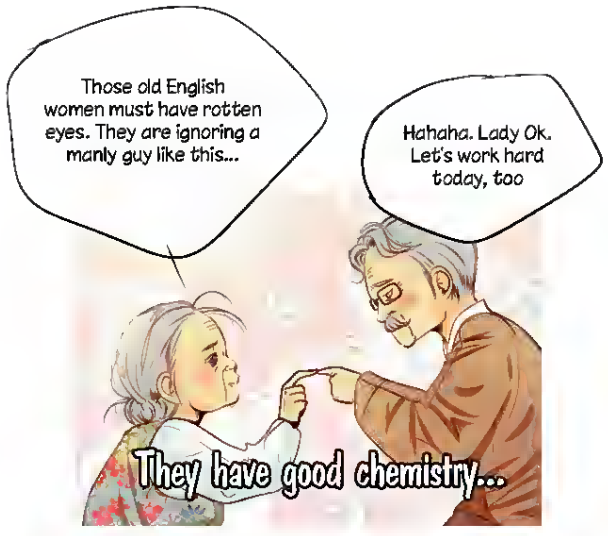
But I have a face which people are attracted to in Asia, young master...

*They are speaking in English

WHAT!?

Did you hear the rumour that there is a fan club made by old women over 65 who live in the North part of the town?

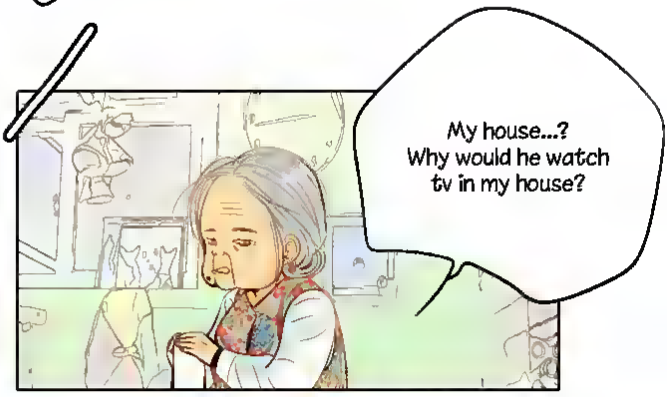
NOT AT ALL, NEVER!



Those old English women must have rotten eyes. They are ignoring a manly guy like this...
Hahaha. Lady Ok. Let's work hard today, too
They have good chemistry...

Damn it! I can't watch! You wait and see, James...
I am going to watch the drama 'Silver road my home town' on tv in Lady Ok Soon's house. The sofa was old and quite comfortable. Then I'm leaving...
Huh? You are going to my house?

CLOSE



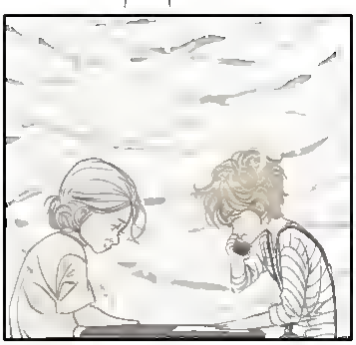
My house...?
Why would he watch tv in my house?

Huh? Does she not know maybe?
Huh? The rental contract? Do you want me to read this?

What is this...?

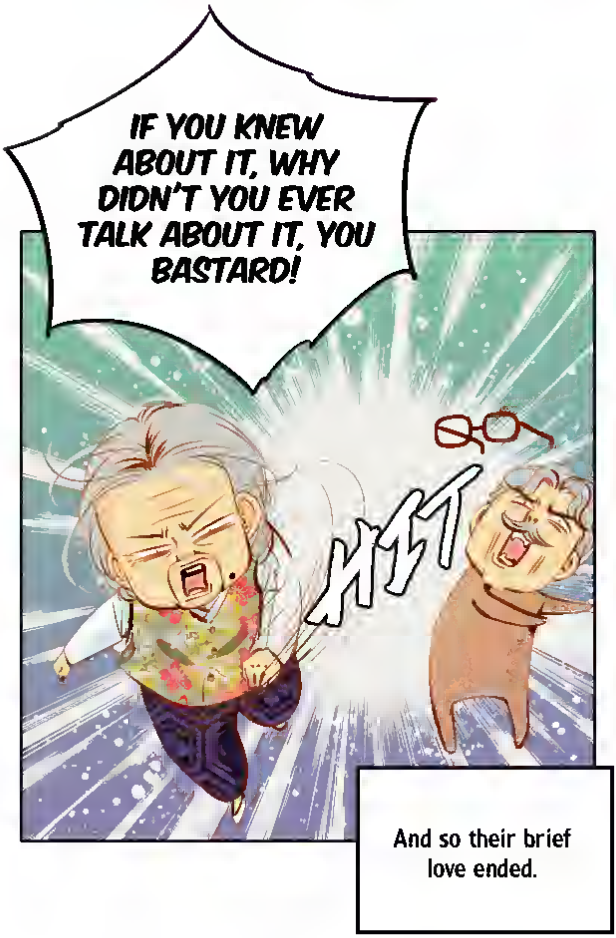
Special section.
[ Until the end of this contract, the tenant can use the 1st floor as much as he wants. ]

When did this...?

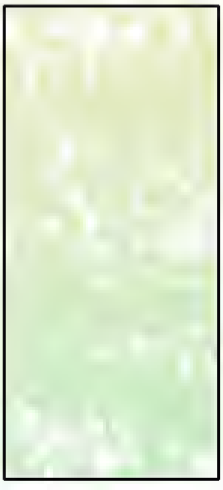


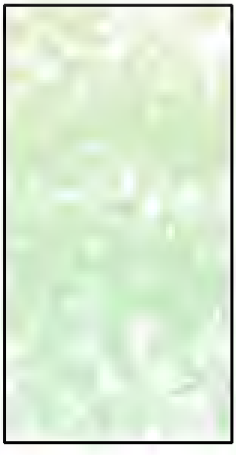
Then... On that day when he was looking like he was talking on the phone with his dad he was actually adding details like this to the contract?

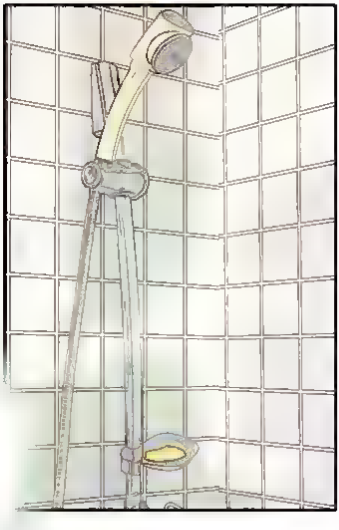
I thought that he was a pushover.... he is a cunning bastard!



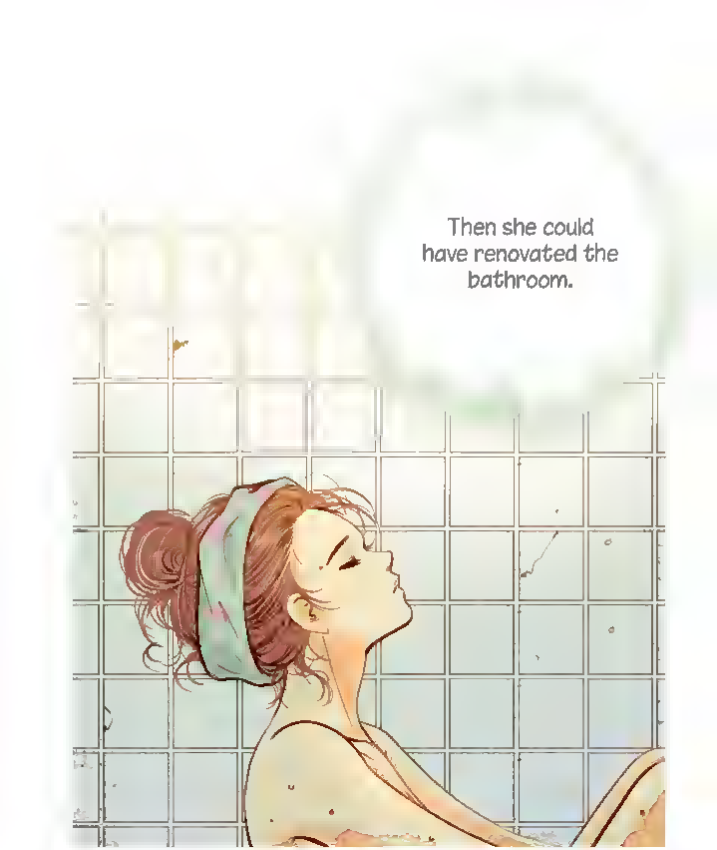
IF YOU KNEW ABOUT IT, WHY DIDN'T YOU EVER TALK ABOUT IT, YOU BASTARD!
And so their brief love ended.







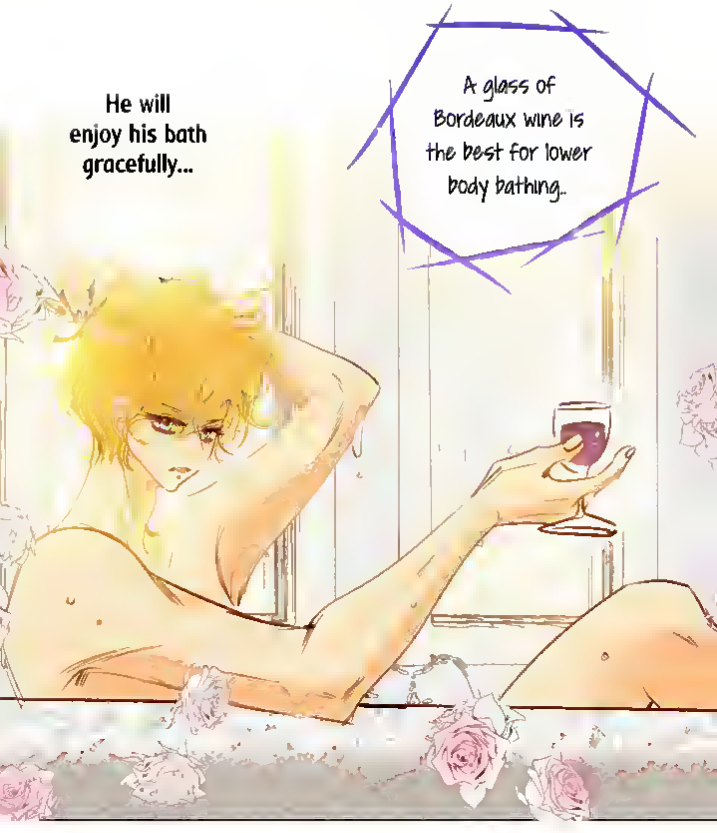
Mom sold traditional patchwork to the rich women ond eorned some money...



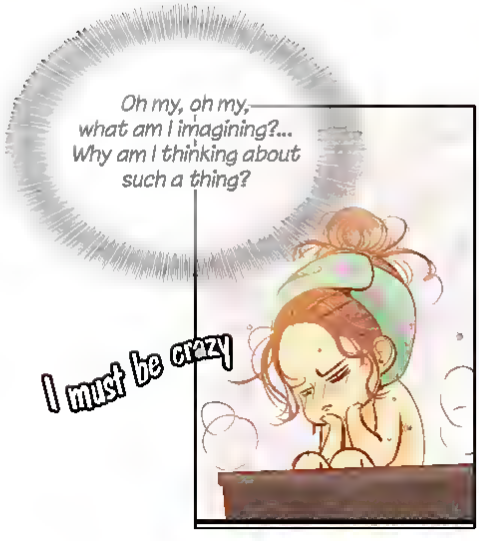
Then she could have renovated the bathroom.

What is this?
It's a rubber basin used to make Kimchi (pickled cabbage).

They fixed the bathroom upstairs really luxuriously...
In that tub, Allen will...

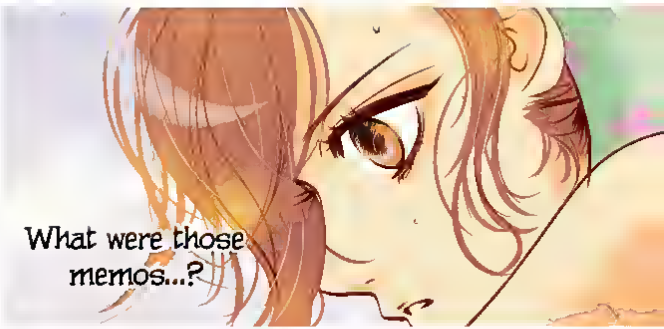


He will enjoy his bath gracefully...
A glass of Bordeaux wine is the best for lower body bathing.

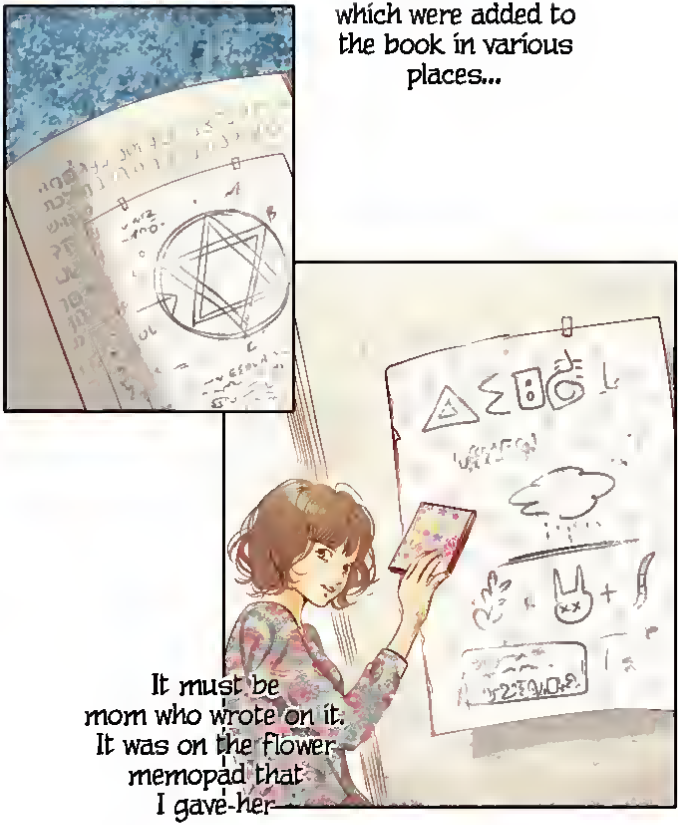


Oh my, oh my, what am I imagining?... Why am I thinking about such a thing?
I must be crazy

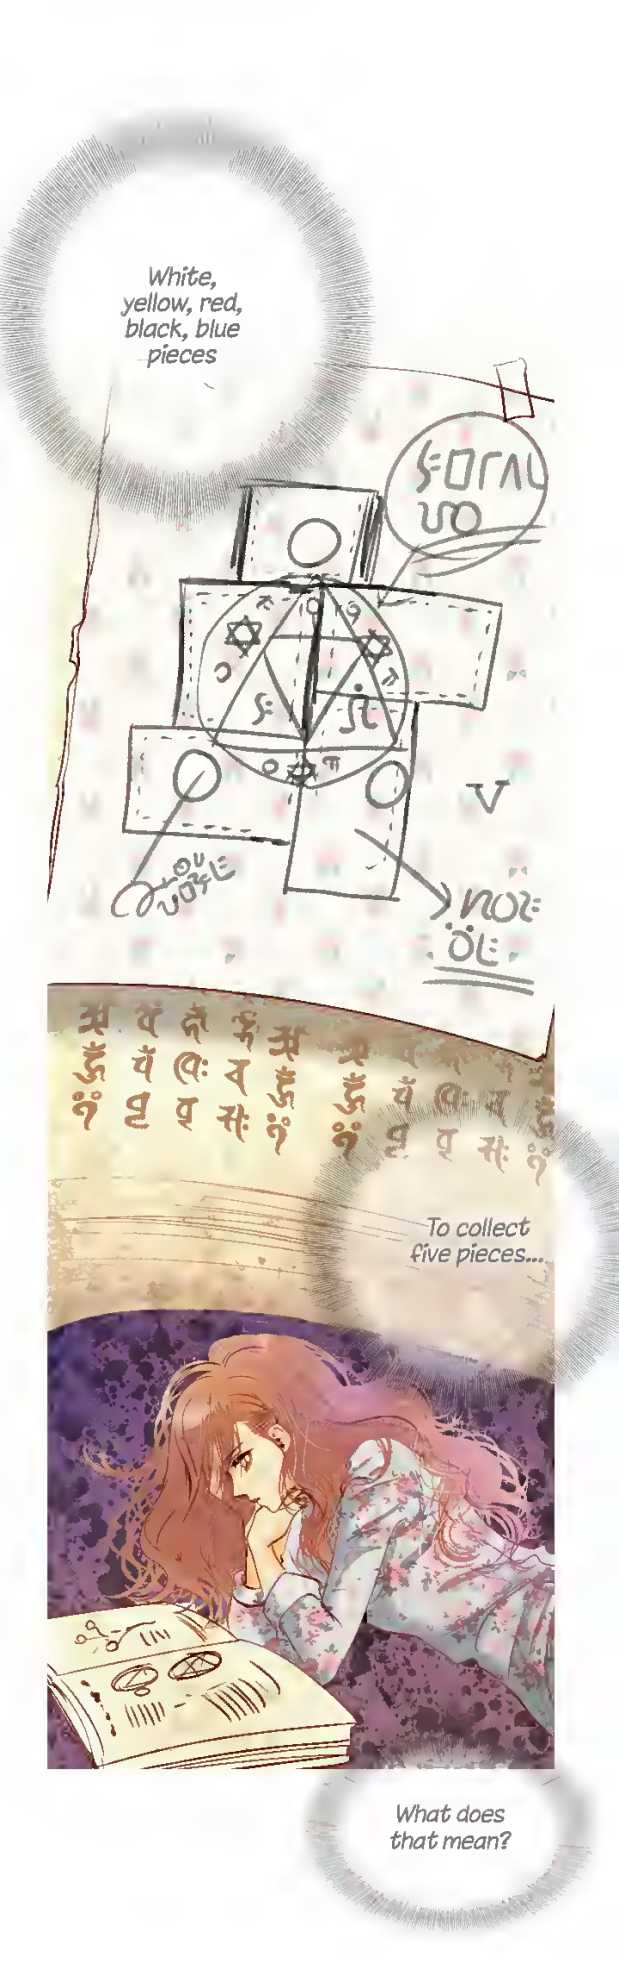
Ah right, but...



Those memos which were added to the book in various places...



It must be mom who wrote on it. It was on the flower memopad that I gave her



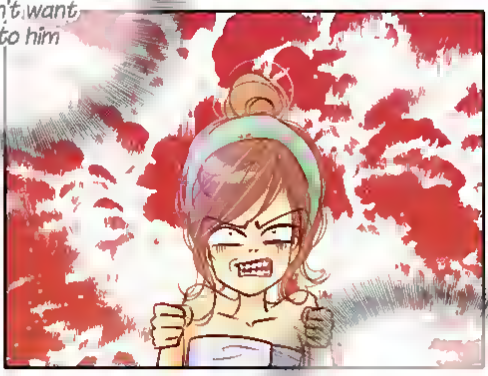
White, yellow, red, black, blue pieces
To collect five pieces...
What does that mean?

Those five colors are our traditionol colors to signify the universe ond its order

How can I find them and what could I use them for?

But I must be quite talented in this area.
It has only been a week since I began studying...
Am I absorbing the words into myself and learning them...?
Your skill is not tested and you're inexperienced, yet you're going to study magic and use it on Allen afterwards?

Or since he ignored me, I just didn't want to lose to him



Yes, damn it, I will show him!

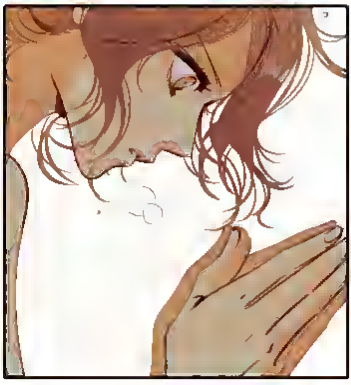
Then let's review what I have learnt.

The magic to lower the temperature a bit, around the caster...

I am going to draw the pentacle of the moon and ice...

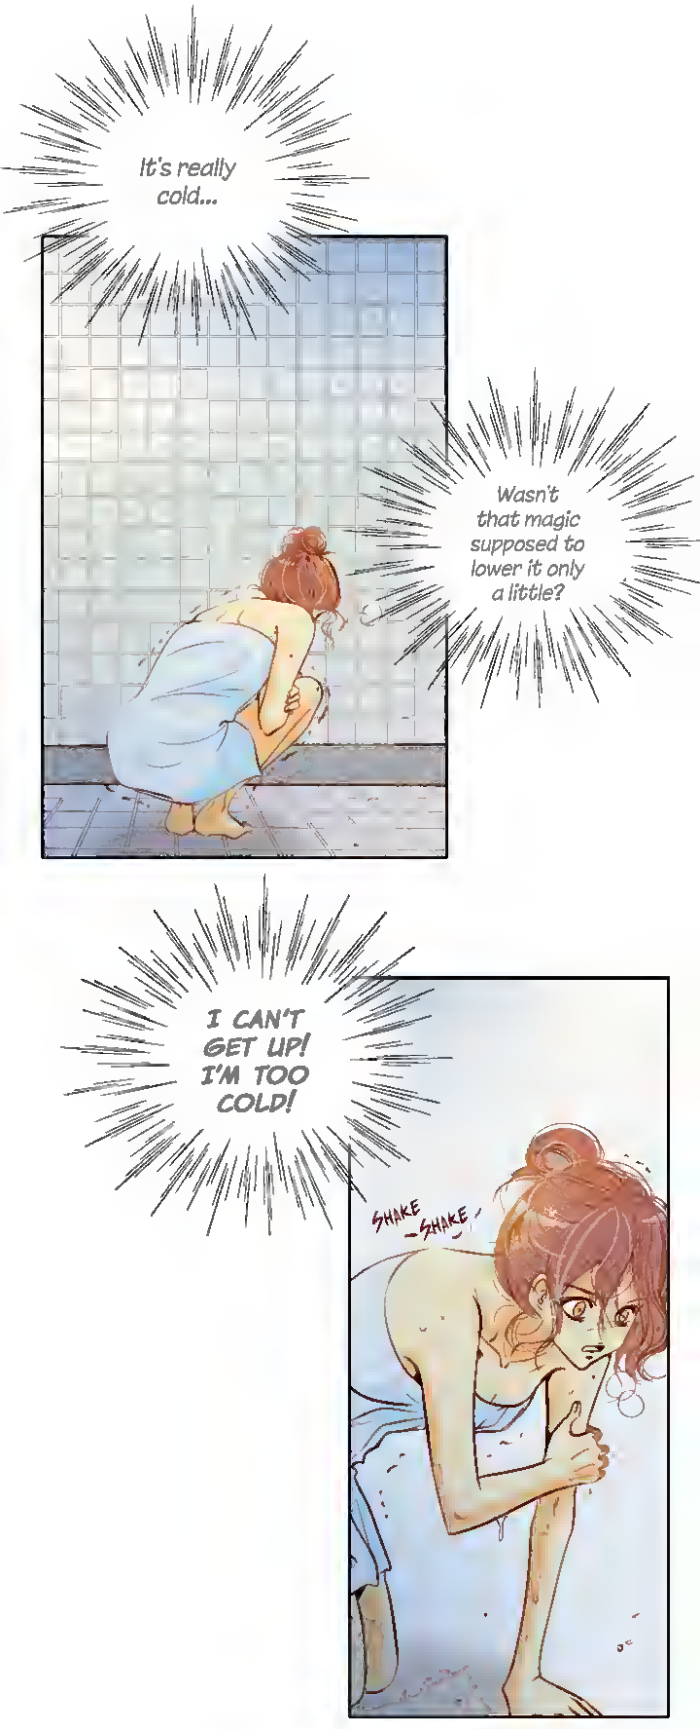
Deus
Temperius

Please control the temperature around me

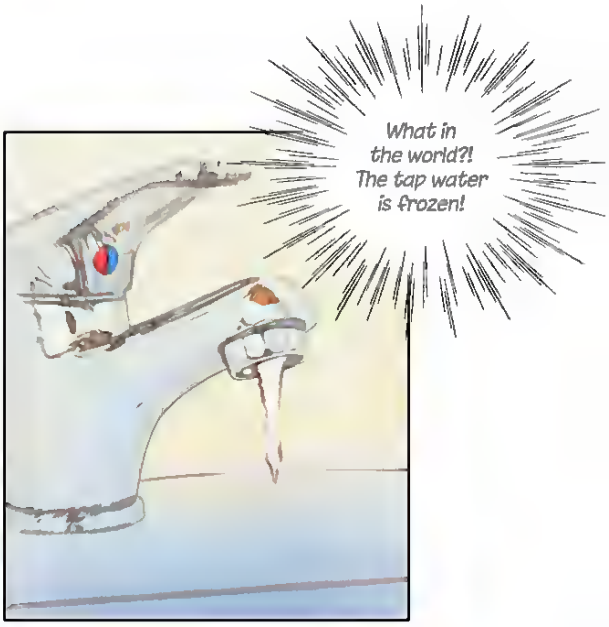


?

Ah...
Suddenly...
BREATHE



It's really cold...
Wasn't that magic supposed to lower it only a little?
I CAN'T GET UP! I'M TOO COLD!
SHAKE
SHAKE



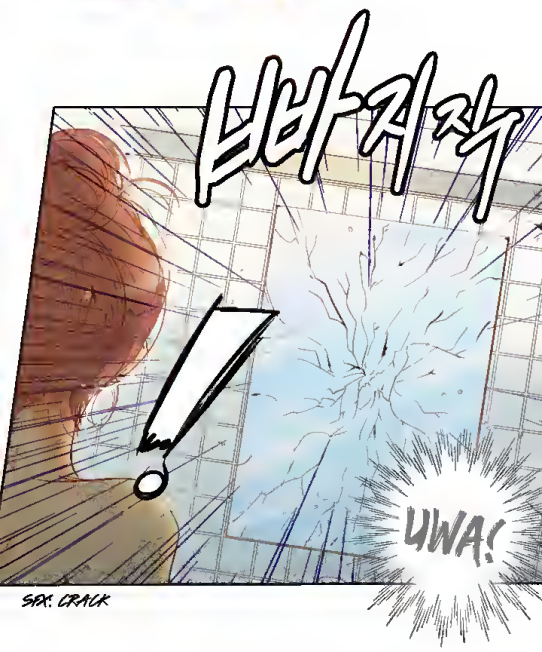
What in the world?! The tap water is frozen!

Is that ice over there?

No, I casted it because it was supposed to be a weak magic. What is this?!

Did I do something wrong?

CRACK



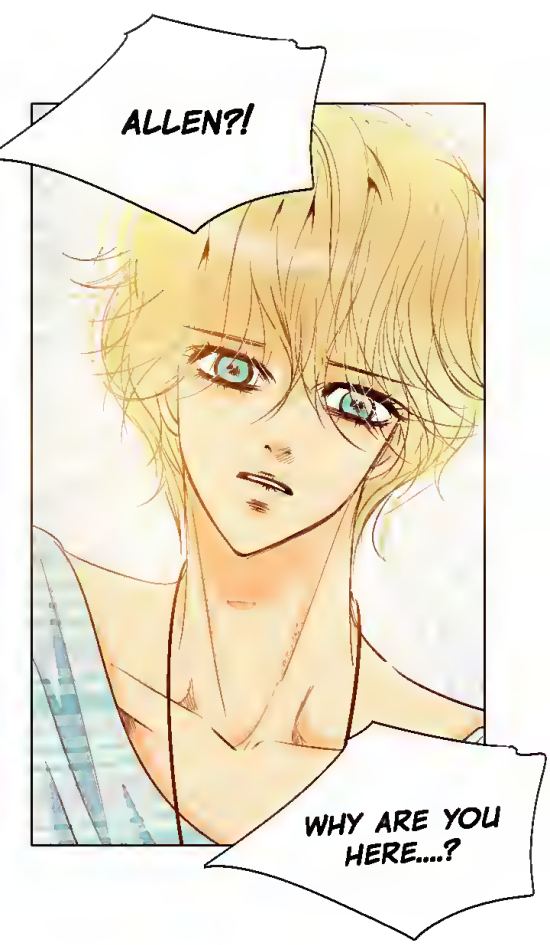
SFX: CRACK
UWA!

I DON'T KNOW THE MAGIC WHICH WILL MAKE THE TEMPERATURE TO GO UP...
click
LET'S GET OUT OF HERE BEFORE I FREEZE TO DEATH.

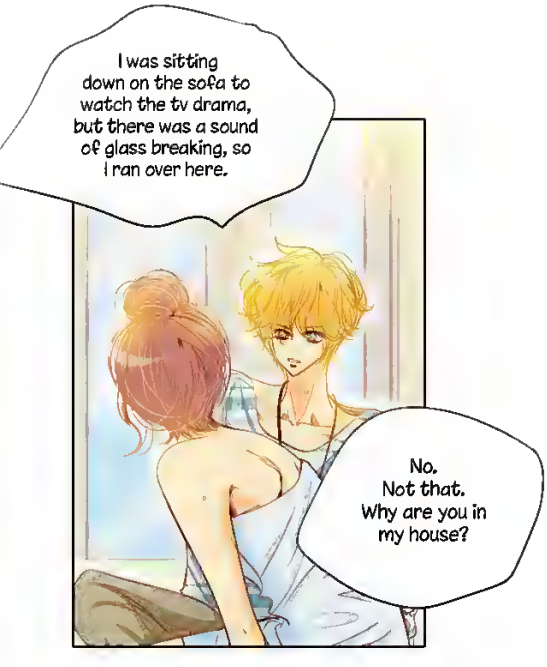
I'm going out to grandmother
sfx hit

Aah-
FALL DOWN

Ugh,
my back...
ARE YOU OKAY,
MIDAN?
I'm okay...



ALLEN?!
WHY ARE YOU HERE....?



I was sitting down on the sofa to watch the tv drama, but there was a sound of glass breaking, so I ran over here.
No. Not that. Why are you in my house?

Huh....?

That's not the problem...
